

# SAGAR S. GAWAI

## SOFTWARE DEVELOPER

Pune, India. | sagargawaiofficials@gmail.com | +91 7972390949

### SUMMARY

Skilled Java Developer with expertise in Java, Spring, Spring Boot, and microservices architecture for building robust and scalable backend systems. Proficient in designing RESTful APIs and implementing database solutions using SQL. Hands-on knowledge of Docker for containerization, ensuring efficient application deployment and management. Proficient in writing unit and integration tests with JUnit, Mockito, and PowerMockito to ensure code quality and reliability. Familiar with AWS services such as EC2, S3, and Lambda for developing and deploying cloud-based applications. Strong analytical, problem-solving, and debugging abilities with a keen interest in learning new technologies. Looking to contribute to innovative projects by leveraging my skills in modern software development practices and cloud computing.

### TECHNICAL SKILLS

Java , Java 8+

Spring, SpringBoot, REST API

MYSQL

Microservices

Docker, Mockito, Powermockito

JUnit, AWS EC2

HTML, CSS , JAVASCRIPT

ANGULAR

Eclipse, VSCode, IntelliJ

### PROJECT EXPERIENCE

#### Pizza Delivery Web App

Features:

- **User Authentication:** Implemented secure login and registration modules.
- **Order Management:** Developed functionalities for adding items to cart, viewing cart items, and processing orders.
- **Billing System:** Integrated dynamic price calculation and generation of order invoices.
- **Location Service Check:** Ensured service availability verification based on the user's location.
- **Database Management:** Utilized MySQL for efficient data storage and retrieval.
- **Frontend-Backend Communication:** Skills & Technologies: Java, Spring Boot, REST API, MySQL, Angular, HTML, CSS, JavaScript

### EDUCATION

#### Bachelors of Computer Science

Noworjsee Wadia College, Pune, India.

- Major in Computer Science.
- Skilled in Programming languages like java, c and c++.

### ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Marathi
- **Certifications:** Professional Java - Profound Edutech.
- SEO - Semrush Academy.
